383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Director of Public Works

At its meeting held February 24, 2004, the Board took the following action:

4

At the time and place regularly set, notice having been duly given, the following item was called up:

Hearing on expansion of the Automated Red Light Photo Enforcement Program which will allow for the continuation and expansion of the Program at nine signalized intersections, which includes six additional intersections to enable the California Highway Patrol to detect and cite motorists who violate red light indicators in order to improve traffic safety (All Districts); also find that the proposed expansion of the program is categorically exempt from the Environmental Guidelines approved by the Board, as further described in the attached letter dated January 22, 2004 from the Director of Public Works.

Opportunity was given for interested persons to address the Board. Julio Giron and Merritt Holloway addressed the Board.

After discussion, on motion of Supervisor Yaroslavsky, seconded by Supervisor Burke, unanimously carried, the Board closed the hearing and took the following actions:

1. Made a finding that the expansion of the Automated Red Light Photo Enforcement Program is categorically exempt under the Environmental Guidelines approved by the Board; and
2. Approved the use of a photo red light enforcement program at six additional signalized intersections identified by the Director of Public Works.
